

Leaping Leprechauns!

By Keri-Lynn McBride

Members of Quota International of Santa Fe, who hosted the St. Patrick's Leaping Leprechaun Fundraising Dinner

Year after year, members of Quota International of Santa Fe show their love and support for our students and school by hosting a traditional Irish dinner in celebration of St. Patrick's Day. All enjoyed a traditional Irish fare of corned beef, potatoes, carrots,

cabbage and delectable sweets. It was thrilling to have eighty-four people attend this year's Leaping Leprechaun dinner and Quota raised just over \$1700.00, which is used to provide scholarships to NMSD seniors heading to college. In addition, we also have a Diaper Drive for the Santa Fe Food Depot. A total of 1255 diapers and 112 wipes were donated by dinner attendees and will fill a need for many families in Santa Fe. We are blessed to have this special relationship with Quota International of Santa Fe and we thank them for hosting this delicious labor of love each March
